AMERICA'S OLDEST AND BEST

John Robinson's Circus is in Town; Also an Immense Crowd of People

John Robinson's big circus arrived in town Saturday night over the Plant System, after showing in Gainesville Saturday to a \$7000 business, 8500 people having attended the two performances in that city. The show came in two sections of eighteen cars each and was in charge of that master of trains and good fellow, Arthur Glass, of High Springs. Early Sunday morning the show began unloading and moving the material and animals out to the show ground on Exposition street. This part of the undertaking almost broke up church and Sunday school, as the people, little and big, wanted to see the interesting sight, and in the afternoon several thousand interested spectators visited the grounds to see the sights and learn how a big show spends Sunday. Robinson's show is by far the biggest that has visited Ocala in recent years and probably the largest that has ever shown here. Their horses are the finest and most numerous and the pony aggregation excels most of the pony shows' entire stock. The cages and dens are big and have the appearance of thrift and money invested.

The parade took place at 10:30 this morning and was a magnificent sight. There were sixty-five dens, cages and vehicles of different sorts in the parade, drawn by from one to twelve horses, and the steam calliope was drawn by twenty pretty little ponies hitched four abreast. Several thousand people witnessed the parade. Its route was from the show grounds, up Exposition street, around the square and back. The music by the bands was very fine.

From an early hour this morning the country people began to gather in town and before 8 o'clock were buying their tickets for the "big show." The afternoon performance took place at 2 o'clock and lasted until 4. The first half hour of the performance was taken up with King Solomon's spectacle, one of the best features of the show. The overture with this was a rare production in music.

The evening performance will begin at 8 o'clock and continue until 10. A great many people came in on the different trains to see the show, some of them coming from a long way off.

MEN DIFFER ON MANY

Questions—some just now on who should be our next mayor, but when it comes to Shoes they all agree that a good fitting, comfortable Shoe is a luxury; but whose make and where to buy them is a question.

A good many men—and the number is rapidly on the increase—have settled that matter and buy the Humanic Shoe from us, as they say it's the best

Shoe they ever had for fit, comfort and wear. We haven't a Shoe in the store that we have more confidence in; there is not a "trick of the trade" in its make-up; material, workmanship and all that goes to make good, honest footwear is always sure to be found in the Humanic Shoe.

Suppose you step in and look at them. Price, \$4.
